2016

Werner, I., Aldrich, A., Becker, B., Becker, D., Brinkmann, M., Burkhardt, M., Caspers, N., Campiche, S., Chèvre, N., Düring, R.-A., Escher, B. I., Fischer, F., Giebner, S., Heye, K., Hollert, H., Junghans, M., Kienle, C., Knauer, K., Korkaric, M., Märkl, V., Muncke, J., Oehlmann, J., Reifferscheid, G., Rensch, D., Schäffer, A., Schiwy, S., Schwarz, S., Segner, H., Simon, E., Triebkorn, R., Vermeirssen, E. L. M., Wintgens, T., and Markus Zennegg, M., (2016) The 2015 Annual Meeting of SETAC German Language Branch in Zurich (7–10 September, 2015): Ecotoxicology and environmental chemistry—from research to application. *Environ. Sci. Eur.* (2016) 28:20

2015

Campiche, S., Maurer, C., Chervet, A., Sturny, W. G., Schlaepfer, R., Grand, E., Gachet Aquillon, C., Homazava, N., Vermeirssen, E., Werner, I., Ferrari, B. J.-D (2015). Mesure de l'activité biologique du site de suivi à long terme « Oberacker » par la méthode bait-lamina. *Bulletin BSA-VBB n°16/2015 - Office fédéral de l'Environnement.*

Campiche, S., Ganne-Chédeville, C., Volkmer, T., Grand, E., Werner, I., Ferrari, B. J.-D. (2015): Ecotoxicity of wood preservatives: Current knowledge and evaluation of potential toxicity for soil organisms. Report for the Swiss Federal Office of the Environment (FOEN), Bern, pp. 34.

2014

Flück, R., Casado-Martinez, C., Campiche S., Ferrari, B., Werner, I., De Alencastro, L.F., Rossi, L., Santiago, S., Chèvre, N. (2014) Retour sur l'article : « Surveillance de la qualité des sédiments ». *Aqua & Gas* 06, 70-71

2013

Burkhardt, M., Dietschweiler, C., Campiche, S., Junghans, M., Schifferli, A., Baumberger, D., Kienle, C., Vermeirssen, E., Werner, I. (2013). Ecotoxicological Assessment of Immersion Samples from Façade Render. Report for the Swiss Federal Office for the Environment FOEN, Bern, p. 34

2012

Flück R., Campiche S., De Alencastro L.F., Rossi L., Santiago S., Werner I., Chèvre N. (2012). Surveillance de la qualité des sédiments. Etat actuel des méthodes disponibles et mise en place de recommandations. *Aqua & Gas* 4, pp. 18-22.

Flück R., Chèvre N., Campiche S., Surveillance de la qualité des sédiments en Suisse : état actuel des méthodes disponibles et mise en place de recommandations (2012). Centre Suisse d'écotoxicologie appliquée, Eawag-EPFL, Lausanne, Suisse.

2011

Flück R., Campiche S. (2011). Surveillance de la qualité des sédiments en Suisse : Synthèse d'un questionnaire. Centre Suisse d'écotoxicologie appliquée, Eawag-EPFL, Lausanne, Suisse.

2007

Campiche S., L'Ambert G., Tarradellas J. & Becker-van Slooten K. (2007) Multigeneration effects of insect growth regulators on the springtail *Folsomia candida*. *Ecotoxicology and Environmental Safety*, 67, 180-189.

2006

Campiche S., Becker-Van Slooten K., Ridreau C. & Tarradellas J. (2006) Effects of insect growth regulators on the nontarget soil arthropod *Folsomia candida* (Collembola). *Ecotoxicology and Environmental Safety*, 63, 216-225.

2004

Becker-van Slooten, K., Campiche S., & Tarradellas J. (2004) Research in Support of the Environment Canada Soil Toxicity Test Methods: Consideration of Various Methods for Measuring Soil pH, Water Holding Capacity, and Water Filled Pore Space. Report prepared by the Laboratory of Environmental Chemistry and Ecotoxicology (CECOTOX), Ecole polytechnique fédérale de Lausanne (EPFL) ENAC-ISTE (Lausanne, Switzerland) for the Method Development and Application Section, Environment Canada, Ottawa, Ontario.

2003

Becker-van Slooten, K., Campiche S., & Tarradellas J. (2003) Research in Support of the Environment Canada Collembolan Toxicity Test Method with *Folsomia candida* for Assessment of Contaminated Soils. Report prepared by the Laboratory of Environmental Chemistry and Ecotoxicology (CECOTOX), Ecole polytechnique fédérale de Lausanne (EPFL) ENAC-ISTE (Lausanne, Switzerland) for the Method Development and Application Section, Environment Canada, Ottawa, Ontario.
